Dear Dawn,

CONGRATULATIONS! I am pleased to inform you that you have successfully completed the Certification Examination for the National Master Guardian designation, which was held in Minneapolis, Minnesota, on October 1, 2011.

This is an exceptional accomplishment. You are joining an elite group of guardians who demonstrate the highest level of commitment to professionalism.

As a National Master Guardian of the Center for Guardianship Certification, I am pleased to enclose the following items:

1. Your National Master Guardian Certificate, which we hope you will display with pride!
2. A form for you to track your continuing education credits over the next three years. We encourage you to develop a file for this information and complete it as you go. This will make your job much easier when it's time to apply for re-certification.

Please remember you must re-certify again in three years. The CGC office must receive your completed re-certification forms, and the re-certification fee 30 days prior to the expiration of your three-year status. Applications for re-certification received after the deadline will be subject to a \$50.00 late fee.

Again, congratulations on your recent accomplishment. Should you have any questions, please don't hesitate to contact us. Welcome to a very special group of guardians!

Sincerely,

*Lesley Richards*
