Press Release

Local Fiduciary Dawn Walters Attains Master Guardian Certification

Center for Guardianship Certification Grants Nation's Highest Credential in the Fiduciary Practice

Dawn Walters, Licensed Fiduciary, Entrust Guardianship Services, LLC received notification on November 30, 2011 that the Center for Guardianship Studies has conferred National Master Guardian credentials. This prestigious designation, held by a select few Licensed Fiduciaries in the State, was achieved by passing an intensive examination on October 1, 2011 in Minneapolis, Minnesota following a rigorous application process in order to qualify to sit for the test. Master Guardians must demonstrate a comprehensive knowledge of guardianship practices and the highest level of ethics across the full spectrum of the profession. Candidates must be recommended for certification by peers in the field, possess a minimum of five years in practice with an impeccable professional record, and demonstrate a commitment to leadership and advancement of the profession.

- Dawn Walters has 7 ½ years practice as founder of successful fiduciary firms and director of guardianship and care management services
- An engaging speaker and subject matter expert, she is highly sought after by community partners to present seminars and panel discussions on the fiduciary practice, ethics, rights advocacy, life planning, elder abuse, and related topics
- Services provided include court-appointed guardianship services, services as agent under Power of Attorney, care management, and consulting
- For a fee consultation or to book a speaking event, please call (623) 386-3963
